## Specifications:

Specs are satisfactory

# Delays:

There were no delays in the processing.

<u>US Manufactured</u>- AOD d/b/a Screen Printing Plus, Award Excellence Marketing, Keith Marketing Group, Monogram Magic, The Incentive Mall, Bob Barker, Promotional Avenues, Kesslers Team Sports, and Pro Corr Outfitters all said no to this preference. Pro Corr Outfitters withdrew their bid. ICS didn't specify yes or no but they bid Gildan's and Jerzee's and other bidders who bid these manufacturers said no to this preference. Murray & Company bid two different manufacturers and said Tarhill is US Manufactured and Gildan's isn't US Manufactured. Amtex claimed this preference.

Preferences: Per IC 5-22-15-7 – An offeror may claim one (1) of the types of preferences for which the offeror is eligible.

<u>IN Business Preference</u> – AOD d/b/a Screen Printing Plus, Keith Marketing Group, Monogram Magic, and Promotional Avenues all claimed this preference. Keith Marketing Group and Monogram Magic claimed both the Indiana Business Preference and Indiana Small Business Preference. None of these bidders were invited for the second round pricing due to specification and bid requirements so clarification ( see Recommendation Narrative below) as to which preference they claimed wasn't deemed necessary.

IN Small Business Preference—As stated above Keith Marketing Group and Monogram Magic claimed both the Indiana Business Preference and Indiana Small Business Preference but no clarification was needed as they weren't invited to the second round pricing due to specification and bid requirements (see Recommendation Narrative below). Pro Corr Outfitters claimed this preference and they aren't an Indiana Company but clarification wasn't needed as they withdrew their bid. The Incentive Mall claimed this preference but claiming this preference didn't affect the award.

#### **Recommendation Narrative:**

**Round1:** The bid package stated:

IF YOU CAN'T PROVIDE THE MATCHING PANTS, OR SHORTS TO THE SHIRTS PLEASE DON'T PRICE THESE ITEMS. \*\*\*\*\*\*\*\*

And the specifications also stated:

Vendor shall provide a choice of colors plus pastels, they must match color of sweatpants exactly. Vendor shall provide a choice of colors plus pastels and include bright orange, they must match color of sweatpants exactly.

Vendor shall provide a choice of colors plus pastels; navy blue is mandatory.

They must match color of sweatshirts exactly.

The following bidders either didn't bid some of the items or bid different manufacturers which means the colors wouldn't match exactly or they wouldn't be able to provide the matching sweatpants in both the 7 oz and 9 oz or the matching sweatshorts to the sweatshirts. The requesting agencies would be ordering these in different sizes as people have different shapes so it is imperative that all sweatpants, sweatshorts, and sweatshirts match exactly. To ensure color matching these bidders would have to submit all colors (if bidding different manufacturers) of every item so the evaluation team would be able to view these colors for exact match to all sweatpants, sweatshorts, and sweatshirts. Sending these samples would be very costly to the bidders. Since it is mandatory to match colors these bidders weren't invited to the second round for negotiated bid pricing. Kesslers Team Sports, Promotional Avenues, Murray & Company, ICS, Monogram Magic, Keith Marketing Group, AOD d/ba Screen Printing Plus, and PRO CORR Outfitters, who withdrew their bid. The bidders for the second round bid pricing bid all items and bid the same manufacturer ensuring that all items and colors will match exactly.

## **Recommendation Narrative:**

**Round 2:** Amtex and Bob Barker didn't lower their original price. Award Excellence, New Age Marketing, and The Incentive Mall all lowered their original pricing in the second round bid pricing. The 7oz and 9oz Raglan Sleeves Sweatshirts, lines 1-7 and lines 15 – 21 were deleted with addendum #2. Bidders were calling to say they couldn't find the Raglan Sleeves. The bid package also contained 7oz and 9oz Set-in Sleeves for the Sweatshirts so it wasn't deemed necessary to have both sleeves since the Raglan was very hard to find.

After conducting two rounds of bidding, the State wasn't able to save any money in the second round pricing as specifications stated the color must match exactly as stated above; in order to achieve color match all items must be awarded to the same manufacturer as not all manufacturer colors will match.

The committee examined the sweatshirts, sweatpants, and the sweatshorts and none of the bidders met all specifications; the committee hadn't sent these for testing as we need to award this contract as soon as possible. To figure the award of this solicitation the agencies purchasing the sweats were pulled to find the specifications that could not be altered in order to achieve what they needed the product to do. The specification that could not be altered was the fabric content minimum of 50/50 Polyester/Cotton Blend. The agencies stated they had washed sweats where the fabric content was a higher polyester blend than cotton and the sweats couldn't handle the industrial washing. The sweats would get little fuzz balls. The agency said the sweats washed with the 50/50 polyester/cotton blend held up to the industrial washing and didn't get the little fuzz balls like the higher polyester blend. The specifications that were considered not to be as important were the double lined hood and the four-needle stitching on the covered elastic waistband on the sweatpants and sweatshorts.

This award was based on the bidder who could meet the 50/50 polyester/cotton blend on all 9 items in this bid to keep the colors to an exact match.

Bidders that didn't submit samples were given until January 12, 2009 to send in the samples. Award Excellence called and stated they couldn't meet the January 12, 2009 deadline but could deliver by January 13, 2009. They were granted permission to send the samples in by January 13, 2009, all other bidders samples were received by January 12, 2009. Award Excellence stated that 3 of the 9 items that came in from the manufacturer didn't meet specifications and didn't submit the samples. According to the bid package:

Failure to comply WILL deem your bid non-responsive.

Without the samples the sample committee couldn't view the sweats; therefore their bid is considered non-responsive.

The specifications for all sweatshirts, sweatpants, and sweatshorts on the contract stated:

Fabric content minimum 50/50 Polyester/Cotton Fleece Blend.

Permanent factory label shall be attached to each shirt showing size, fiber content and care.

By claiming the Indiana Small Business Preference, The Incentive Mall is the first low bidder, however the only items that met the 50/50 Polyester/Cotton blend is the 9 oz hooded pullover and the sweatshorts. The other items were 85/15 Polyester/Cotton blend. As stated above the requesting agencies stated the 50/50 polyester/cotton blend must be met. This award can't be split as all colors must match the shirts, pants and shorts exactly.

New Age Marketing is the second low bidder, however, the only items that met the 50/50 Polyester/Cotton blend is the 9 oz sweatpants. The 7 oz sweatpants and shorts are 85/20 Polyester/Cotton blend. As stated above the requesting agencies stated the 50/50 polyester/cotton blend must be met. The sweatshirts didn't state the fabric blend. Also the permanent factory label showing the fiber content and care is missing. This award can't be split as all colors must match the shirts, pants and shorts exactly.

Amtex is the third low bidder. Amtex is the manufacturer and the only bidder to bid the US Manufactured preference. Amtex's fabric content is 50/50 Polyester/Cotton blend on all 9 items and they have the factory label. Amtex doesn't meet the double lined hood or the four-needle stitching on the covered elastic waistband but as stated above all bidders didn't meet all specifications and they met the specification the agencies deemed had to be met; and they met this specification on 9 items bid. Amtex is the manufacturer so the colors will match the shirts, pants, and shorts.
